### *A note from our Dad...*

Look for my sons in your neighborhood!

My oldest sons (yes, they're twins), Peter and Emmanuel, love to clean things – especially vehicles. It started with their grandmother. She is a neat freak. She expects her car to look perfect at all times. She's almost 80 and she still wipes the dew off her car every morning so the dust won't settle on it and leave it dirty!

Peter and Emmanuel are like her in that way. They expect your vehicle to look perfect at all times and if it doesn't, they know how to clean it!

Call us at the office to schedule an appointment. Their work is guaranteed so you have nothing to lose and a clean vehicle to gain!

Let Park 'n' Shine wash or detail your vehicle while you use your time for yourself
